Litter & Respect

Whilst it is great to see everyone having a great time at 3DJ2 it is disappointing to see so much litter strewn over the campsite. As you are walking around the site, PLEASE pick up any rubbish you see. We will be forced to close the Chill Zone if the situation doesn't improve. Thank You.

As part of the Chill Zone, a number of giant games and circus equipment has been provided, and in little over a day much of the equipment has been broken or gone missing. Remember your scout promise; A Scout is to be trusted and take care of possessions.

Royal Jubilee Street Party

The weather seems to be improving for this evening's festivities. We will ensure everyone is kept up to date with any changes to the planned proceedings.

Saturday was an exciting, action packed day at the Jamboree. The Cubs, Scouts and Explorers took part in three activity zones with many trying activities for the very first time. The Cub Games took place in the Arena in the afternoon. The football competition saw 28 teams battling each other. The Tug of War

competition was keenly contested with the final between 8th and a combined Wilmington / 14th team with Wilmington / 14th the valiant victors. The evening saw the Scouts enjoying a film in the Chill Zone whilst the cubs charged round the campsite hunting for leaders with letters on their forehead with teams from Cambria and 3rd finding 21 of the 26 letters. Heavy rain over night hasn't dampened the fun at the Jamboree

Sunday morning saw in excess of 120 Beavers join in the fun at the Jamboree. The Cubs spent the morning in the arena competing in It's a Knockout – 10 fun games. The Scouts spent the morning in the Adventure, Bushcraft and Waterworld Zones.
